Experience

PRIVATE SCHOOL JOB

8 years of experience

8 years of experience of doing job as an in charge of high school , there was my responsibilities to handle parents and look after staff activities. Also I had taken admissions there I had to convince people that they should select that school for there child.

MULTINATIONAL COMPANY

Tiens

6 months of experience of doing job at multinational company tiens,there was my responsibility to hire staff and I sold there products it was very difficult to sell there products because there products was very costly and not many people can buy it but I did that difficult task and I sold there many products

Communication skill

My communication skill is good according my thoughts I can convince people to buy or sell.
